SCHOOL DISTRICT FLEXIBILITY

Duties & Powers of Local Education Agencies

- A. The board of a local education agency may contract with a public or private entity for that entity to provide educational or administrative services for the local education agency.
- B. The educational services provided by a contracting entity may include but are not limited to the delivery of instructional service in core and noncore academic subjects to students enrolled in the local education agency at one or more school sites or parts of sites within the district pursuant to the terms of an educational services contract.
- C. For all purposes, including but not limited to funding from all sources, attendance and accountability, all students who are provided services by a contracting entity pursuant to an educational services contract shall at all times be and remain students of the local education agency.
