

READ TO ACHIEVE FREE SUMMER READING CAMPS!

Summer time brings more time for reading!

Read to Achieve (RtA) Summer Reading Camp is a **FREE** camp for kids going into first through third grades who could use extra help with reading. Camps are sponsored by districts and schools, and typically last 3-5 weeks.

Reading over the summer can help prevent kids from falling behind and ensure they're ready for the new school year. RtA Summer Reading Camps are fun and build both reading skills and self-confidence.

RtA Summer Reading Camp Features:

- ✔ Students receive targeted and individualized support to become successful and confident readers.
- ✔ Students work in small groups and one-on-one with licensed teachers, many of whom specialize in reading instruction.
- ✔ All instructional activities are based on each student's assessed needs and strengths.
- ✔ The program includes a focus on reading to build oral reading fluency; grade-level reading for comprehension; word study for phonics, spelling, and vocabulary instruction; and writing in response to reading.
- ✔ This extra support will prepare your child for future years of reading and comprehending text across subject areas.
- ✔ Camps provide an opportunity for third graders to demonstrate sufficient reading skills for promotion to the fourth grade at the end of camp.
