

# Program Name Goes Here Report Card | 2025-26

This template is designed to help your state create its own EPP Report Card, as outlined in the [State Educator Preparation Provider Accountability Act](#). The sample data provided below illustrates what the report card could look like and should be customized to reflect your state's context. States may choose to present the report card as a written report or an interactive online dashboard.

## Overview

Elementary Special Education

**Accredited**

by [list accrediting body]

Entry and Completion

**B+**

Graduate Performance

**B+**

Candidates Readiness

**B+**

Employment and Retention

**B+**

Satisfaction

**B+**

Average program cost

**\$35,000**

**\$8,000 / year**

Average length of time for a candidate to complete the program

**2 years (120hrs)**

## Entry and Completion

Entry Selection Criteria

Minimum/Average GPA  
Minimum/Average SAT/ACT  
Minimum/Average GRE

Graduate Demographics

**45%** Group 1

**25%** Group 2

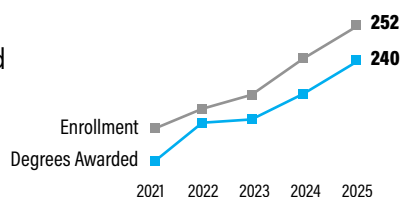

**17%** Group 3

**13%** Group 4

Degrees Awarded

**240**

## Graduate Performance

Percent of completers who received proficient or excellent performance evaluations

**95%** Completers

Percent of completers whose student growth score met or exceeded expectations

**85%** Completers
